☑ I need advanced settings

We've assigned your data region to the United States and given you a tenant name. Check this box if you need to process your data in a different region to comply with privacy laws.

NEXT

By submitting, you agree to the processing and international transfer of your personal data by Auth0 (a product unit within Okta) as described in the Privacy Policy. You may unsubscribe at any time by clicking the unsubscribe link on any emails you receive.

Many teams find offloading authentication saves a lot of manual admin effort while keeping security tight. What operational challenges are you aiming to simplify with your auth setup?

Ask Alex
